TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, today's ombuds are confidential, independent, and impartial conflict management professionals who work to address individual and systemic issues outside of and complementary to formal channels such as human resources, grievances, complaints, and legal action; and

WHEREAS, ombuds work in a wide variety of organizations within Kansas and worldwide, including universities and colleges, governments at all levels, healthcare institutions, corporations, financial institutions, for-profit and not-for-profit organizations, the media, and international organizations; and
